## INTRO:

D

## VERSE 1:

D                    G                    D                    G  
I lift my eyes up, unto the mountains  
D                    G                    A                    G  
Where does my help come from  
D                    G                    D                    G  
My help comes from you, maker of heaven  
D                    G                    A                    G  
Creator of the earth

## CHORUS:

D                    G  
Oh how I need you Lord  
D                    G  
You are my only hope  
D                    G                    A                    G  
you're my only prayer  
D                    G  
So I will wait for you  
D                    G  
To come and rescue me  
D                    G                    A                    G  
To come and give me life
